

## Dual Credit Classes 2018/2019

Dual credit classes are meant to give your student an advance start in college. They are also a savings when it comes to the actual cost of college classes. With the number of dual credit classes students can take on the high school level, most are able to graduate 1 semester early in college. Dual credit classes give students both high school credit and college credit. Below are the dual credit classes that will be offered to students for the 2018/2019 school year, as well as, the current cost of them, cost is subject to change. Dual credit classes are considered AP classes, tuition covers regular classes. Seniors may take additional dual credit classes, classes cost \$100 per credit hour plus books.
